This map indicates areas of known and suspected mine and UXO contamination. The information presented is not necessarily a complete indication of the actual extent and location of contamination. Other areas may contain mines and/or UXO as yet unknown.

Les sites qui contiennent ou qui sont soupçonnés de contenir des mines et des obus sont indiqués sur cette carte . Leurs localisations ainsi que leurs superficies ne sont pas nécessairement exactes. Des sites contaminés qui n'ont pas encore été repérer peuvent être présents.
